

Questions that we will be asking?

- What makes me special?
- How can I become a super-learner?
- What super things can my body do?
- How have I changed?
- What special people do I live with?
- What do I look like?
- What do I like/not like?
- What celebrations do I take part in and does everyone celebrate the same things as me?
- Who can help me?

Me, Myself and I

In Mathematics we will be learning to...

- Recite numbers in order to 20
- Recognise numerals to 10
- Recognise, create and describe patterns
- Describe shapes

In Literacy we will be learning to...

- Read and discuss different books
- Talk to others about what we have read
- Begin to write initial sounds
- Write our name

How you can help at home?

- Use 'phonicsplay' or 'phonicsbloom' websites for fun games
- Read every day with your child
- Look in the mirror, what colour is your hair? Is it long or short?
- Draw a picture of your family and label them.
- Find out everyone's favourite colour; can you find different items of the same colour?
- Visit the local library
- Practise your sounds
- Practise writing your name
- Get dressed independently
- Practise counting to 20
- Try the activities from Bingo Homework
- Look for shapes and numbers all around
- Find topic related objects and bring them into school
