

Roman soldiers, their weapons and what battles were like.

Cook savoury dishes from the Roman times.

What will we be learning about during this topic?

Some Roman myths and legend stories and writing our own.

Explore the historic site of Pompeii and how this helps us learn about the Romans.

What a town looked like in Roman Britain and the purpose of several buildings.

What Roman children learnt at school including exploring Latin and Roman Numerals.

How to make a Roman catapult using DT, science and maths skills.

How Romans relaxed and entertained themselves and each other.

The purpose of Fresco and Mosaic art work and what it can tell us about the past.

The importance of Gods and religion to the Romans.

Things you can do at home to extend your learning.

- Join and visit the library to read and borrow non-fiction books about Roman Britain.
- Research questions you may have about the Romans through the internet and books.
- Make your own mosaic or 3D sculpture of a Roman soldier.
- Discuss your ideas and in school learning with your parents at home.
- Visit local museums such as Wardown museum and the Verulamium museum.
- We love seeing what you produce at home so don't forget to bring it in to show us!
