

Destination Outer Space

Where can I go for extra research and support?

- Visit your local library for Non-fiction and Fiction books
- Talk to your child's class teacher if you have any questions
- Visit www.esa.int, www.bestkidswebsites.com/category/space/ and www.bbc.co.uk/cbeebies/space for more information

During the second half of the Spring term our topic will be 'Destination Outer Space, we will be learning...

To discuss similarities and differences between different planets

To make different aliens using junk modelling

How can I extend my learning further at home?

- Use 'Phonicsplay' or 'Phonicsbloom' websites for fun games
- Read every day with your child
- Practice counting in 2s to 20, 5s and 10s to 100
- Complete the homework bingo tasks

Questions that we will be asking?

- What is outer space like?
- How long does it take to get to the moon and what do they eat?
- What are the different planets called?
- How far away are the stars, planets and moon?

To write sentences about Space

To use mathematical language when adding and taking away

To read a simple sentence
