

Key Stage One – Spring Term 2020

These are some of the questions we will find the answers to...

How did draw bridges work?
Can we make one?

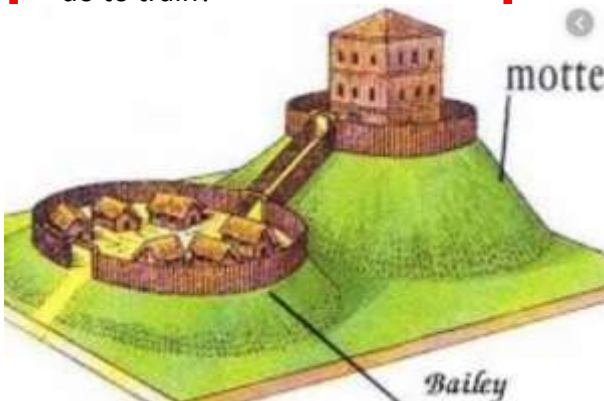

How did armour change and what did it feel like?

How did castles change over time and why?

What jobs did they have in the castles?

How were castles protected?

What activities with knights do to train?

In English and Maths...

Telling time to the nearest 15 minutes

Add and subtract 2 digit numbers

Secure 2,5 and 10 times tables and explore 3,4 and 11xtables

To recognise 2D and 3D shapes and their properties

Write fantasy stories

Record eye witness accounts

To accurately punctuate sentences.

To use the past tense correctly and consistently.

This term will extend our learning by...

-Welcoming a falconry expert into the school to share how birds were used in medieval times (7th Jan)

-Engaging in a thrilling workshop at the end of term. (26th 27th March)

How you can help at home

- Read fact and fiction books about knights from the past and present
- Using the internet, research castle jobs and castles in England.
