

Learning for Life

At Ardley Hill Academy our creative curriculum is embedded with opportunities to develop essential reading skills; word reading, comprehension and the spoken language which feed pupils' imagination and opens up a treasure-house of wonder and joy for curious young minds.

All pupils are encouraged and have extensive opportunities to listen to and read widely across fiction, non-fiction and poetry. This enables them to develop their knowledge of themselves and the world in which they live, to establish an appreciation and love of reading, and to gain knowledge across the curriculum.

Pupils leave Ardley Hill Academy able to read fluently, and with confidence and understanding, enabling them to continue 'learning for life.'
